## SLP NeuroRehab Conference

Featured Presenter:  
Gina England, MA, CCC-SLP

Saturday, September 22, 2018

Two exciting topics!

**Verbal Apraxia:** A Realistic  
Treatment Model for Functional  
Speech Outcomes

**Executive Functions:** Low Tech and  
Hi Tech Compensatory Strategies

**NeuroRehab Services**

---

**Presented by:**  
**Gina England, MA, CCC-SLP**

We're excited to welcome our guest speaker, Gina England, MA, CCC-SLP.

Gina England is a medical speech pathologist who has practiced in New Hampshire since 1981. She has worked all along the medical continuum of care including acute care, acute inpatient rehab, outpatient, day treatment, SNF and home health. Her areas of interest and specialty include cognitive rehabilitation, dysphagia, aphasia, adult acquired apraxia and post-concussion syndrome. She is a national presenter on topics concerning cognitive-communication disorders, dysphagia and post-concussion syndrome.

**Disclosures**

**Financial Disclosure:** Gina receives a salary from her private practice and as an employee of the Pelham and Pittsfield School Districts. She is receiving an honorarium for this presentation.

**Non-Financial Disclosure:** Gina serves as a member of the Board of Directors for the Brain Injury Association of New Hampshire.
